

### New name for West Hollywood hotel

Hotel Le Petit in West Hollywood, CA has changed its name to Petit Ermitage. Inspired by the Mediterranean lifestyle and fashioned after a private pied-a-terre, Petit Ermitage offers guests an intimate sanctuary in which to take refuge from the bustling city. Nestled on a quiet street in West Hollywood, the boutique, 80-suite hotel encourages guests "to unwind and enter the laissez-faire lifestyle of the modern day bohemian." The property boasts a Private Rooftop Club, replete with native gardens, salt water pool, cabanas, an outdoor sunken fireplace and 360-degree views of the Hollywood Hills.
